

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

UNITED STATES OF AMERICA,  
Plaintiff,  
v.  
PACIFIC GAS AND ELECTRIC  
COMPANY,  
Defendant.

Case No. 14-cr-00175-TEH

**ORDER REGARDING  
GOVERNMENT'S OBJECTIONS TO  
DEFENSE EXHIBITS**

Yesterday evening, the Government lodged objections to three exhibits Defendant Pacific Gas and Electric Company ("PG&E") intends to introduce during trial today. Dkt. No. 781. PG&E timely responded to these objections. Dkt. No. 782. Having carefully considered the parties' arguments, the Court now **OVERRULES** the Government's objections, as follows:

1. The Government's Federal Rule of Evidence ("Rule") 401 and 403 objections to Defense Exhibit 147 are **OVERRULED**. If the Government can identify other portions of this exhibit "that in fairness ought to be considered at the same time," Fed. R. Evid. 106, then the Court will consider admitting those portions under Rule 106, within the confines of its prior evidentiary rulings.
2. The Government's Rule 401 and 403 objections to Defense Exhibit 363 are **OVERRULED**.
3. The Government's Rule 401 and 403 objections to Defense Exhibit 364 are **OVERRULED**.

**IT IS SO ORDERED.**

Dated: 07/21/16

THELTON E. HENDERSON  
United States District Judge
